about us

Vijay Bikes is one of the most trusted business houses in India (Ludhiana). We manufacture and supply the complete range of MTB Bicycle, Kids Bicycles, Ladies Bicycles, spare parts etc. Which are manufactured by our experts who use the best quality machines and tools to manufacture & assemble the best quality bicycles.

Every offered arrays of bicycles are available in many sizes and colors. They are highly appreciated for their light-weighted body, comfortable sitting, and very beautiful designs. Offered products are checked for versatility, durability, and functionality before final delivery. In addition to this, offered accessories cater to the needs of various clients. Furthermore, we ensure to timely deliver these products to our clients.

Quality Policy

The quality represents the standards of the company's thoughts and implements. Quality means not only the quality of the product but also the quality of the worker, the internal and external environment, customers and so on. Vijay Bikes maintains an in-house facilities for the raw material inspection, hardness testing, and microstructure analysis of our products.

Every product that we manufacture passes through stringent quality checks before they reach to our customers. Latest technology and infrastructure supports to maintain the quality standards as well as innovation possibilities.
